

# TBA Day at the Races

The weather was kind to us when thirty-one members and guests picked up the coach for a visit to Newmarket Racecourse.

It was mine, and many others, first time and we were not quite sure what to expect.

We arrived in plenty of time for the first race and time to pick up a racecard and place our bets.

Having Premier tickets we were allowed most places on the course and I spent some of the time wandering around looking at the 'punters' and 'bookies'.

I'm not much of a gambler but I did finish the day with a profit of £1.80!

On the return home we stopped at the Lion & Lamb for dinner. A very nice pub situated in Little Canfield, near Dunmow. A good meal and we were on our way home again.

**September 17th and the The Business Association had a day out at the races in Newmarket - as you see the weather was great. Nobody lost their shirt!**
